

Make your own flag!

Connie and the gang are off on A Eurovision Song Contest Adventure, where countries all across Europe compete! Every country has their own flag, why not make your own adventurer?

1. Draw your own flag design in the dotted box
2. Ask a grown up to cut along the dotted lines
3. Use sticky tape to attach to a straw, or a pencil, or even a big stick!
4. Wave your flag along to our Eurovision song!
